

Patient Feedback – Friends and Family replies for July 2026

Everyone is so helpful & polite.

I had a very good appt with a very good GP

This has been my surgery for over 40yrs and the support and care is 1st class. So very lucky to have you as my surgery and the great team of people that work there.

Thank you

Friendly and helpful

The nurse I had was very friendly and professional. She walked me through everything and made sure I was comfortable throughout!

Got an evening appointment which is very convenient and the nurse, nurse was really friendly and excellent at her job - very informative and a pain free procedure, thank you!

I didn't have need to speak to reception but the phone calls related to my appointment were very friendly and efficient. Dr was thoughtfully attentive about my query with practical follow-up and a very pleasant manner.

Dr answered all my questions and furthered treatments needed

The receptionist was very friendly and helpful the GP did not rush you and actually listened to what you had to say and had obviously looked at your notes

Diligent and caring

Spent time understanding my concerns

Kind courteous and professional

Service was efficient and sufficient

I felt well cared for

GP was excellent; very thorough and empathetic

Everyone was very helpful and all was explained to me as my tests were done

Professional and friendly

Quick to answer

Staff were polite and efficient and professional and friendly and easy to talk with

My appointment was on time and the nurse was lovely. Very clean consulting room.

I am a new patient I've been to Wedmore Surgery twice and Axbridge once for Covid injection. The Nurse I've seen was very pleasant and I felt very comfortable and content.

Very efficient and friendly

Always very efficient.

No wait - friendly staff -

All the staff have been very caring

On time appointment and professional staff

As per normal every thing perfect.

I came to have a blood test nothing really to say about it.

Very helpful and efficient HCA
